Birla Institute of Technology and Science, Pilani (BITS) is one of the premier science and technical institutes of higher learning in India. BITS-Pilani was among the first institutes to be awarded the Institute of Eminence status in the country. The Hyderabad campus was established in 2008 as the fourth campus of BITS Pilani.

The Department of Pharmacy of BITS Pilani, established in 1950, is one of India's few early schools of Pharmacy. It has been ranked 3rd in Pharmacy Category by NIRF-2021 (MHRD, Govt. of India); in the 151-200 band by QS World Subject Rankings-2021 for Pharmacy and Pharmacology; and 2nd in India by THE (Times Higher Education) subject rankings 2021 of Life Sciences (includes Department of Biological Sciences).

The Hyderabad Campus' Pharmacy department offers B. Pharm, M. Pharm and Ph.D. programmes. It provides students an exhaustive exposure to various practical aspects of the research methodologies, instrumental techniques, courses in emerging areas, and industrial operations. The department is well supported by projects funded by industries and government agencies. Alumni of the department are well placed in India as well as abroad in various pharmaceutical companies, government organizations and academia.
