Meeting of INDIAN ASSOCIATION FOR GENERAL RELATIVITY AND GRAVITATION (IAGRG)

BITS Pilani
Pilani Campus

Theme of the conference: **Ripples in Action**

2nd January to 4th January, 2025

About the Meeting: The Indian Association of General Relativity and Gravitation (IAGRG) is a national organization of scientists working in Gravitational Physics, Cosmology, Astronomy, and related fields with an aim to promote interest and to facilitate research in the related areas. Founded in 1969 at the behest of Prof. Prahalad Chunnial Vaidya, and with Prof. Vishnu Vasudev Narlikar as the first president, the IAGRG has been the key organization towards fostering state-of-the-art research in gravity in India over the last five decades. One of the most prestigious events organized by the IAGRG at the national level is the eponymous meeting, which takes place approximately every two years in various venues across the country.
