I – Semester 2023-2024

Month – September

1. Event Name : BITS & BYTES Brain Teasers

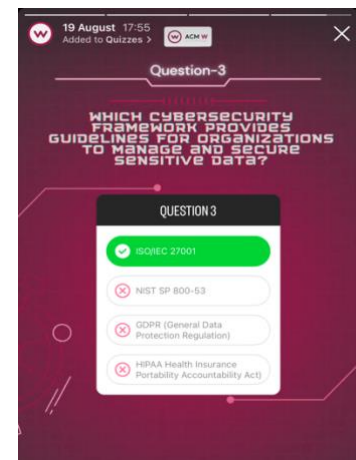

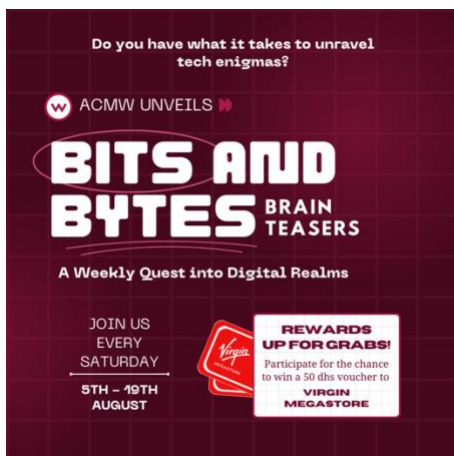

Date : 05.08.2023 – 19.08.2023

Mode : Online (Instagram)

Description:

BITS & BYTES Brain Teasers, a tech quiz conducted every Saturday on ACM-W Instagram handle from 05.08.2023 – 19.08.2023. The brain teasers included questions from diverse topics of technology like AI, Cybersecurity and Cryptocurrency. Participants had the chance to win a 50 AED Virgin Megastore gift card. The winner of this challenge was Vitasta Verma (f20220903@dubai.bits-pilani.ac.in). These kind of challenges help foster a vibrant tech community that encourages learning and exploration in various fields of Computer Science.

2. **Event Name** : Ice Breakers

Date : 31.08.2023

Location : Stall

Description:

The ACM-W Ice Breakers Event marked a significant milestone in our association's journey towards creating a vibrant and inclusive tech community. We received an overwhelming response from students who wanted to be a part of ACM-W BPDC. One of the standout features of the event was the interactive project display. The Turtle Race Game, developed by our team in Python. Students eagerly placed bets on turtle colors, adding an element of friendly competition.

In addition to the Turtle Race Game, a marketing activity proved to be a hit. Participants were encouraged to click pictures with council members, fostering engagement and community spirit. These photos were shared on Instagram with the hashtag #ACMWBPCD, amplified our online presence and showcased the event's vibrancy.

The booth also provided a unique opportunity for students to take pictures with our specially designed ACM-W sunglasses, adding a fun and memorable touch to the event.

3. Event Name : Laser Maze
Date : 12.09.2023
Location : Stall – Vending Machine area

Description:

The ACM-W Laser Maze Challenge, held on September 12th, was a groundbreaking event that showcased the problem-solving prowess and technical acumen of our participants. Participants were tasked with solving riddles and navigating a laser maze within a limited timeframe. This combination of mental dexterity and quick decision-making added an exciting dimension to the challenge. To raise the stakes, a cash prize of 25 AED was offered to the quickest and most astute participant who successfully completed the challenge. This added element of competition added an extra layer of excitement and motivation for all involved. The Laser Maze Challenge unfolded over the course of the day, from 8:30 AM to 2:00 PM. The winner of this event was Bhavya Kothari (f20210103@dubai.bits-pilani.ac.in) Runner up included Karthik Vishal (f20210041@dubai.bits-pilani.ac.in) and Raees Ahmed (f20210296@dubai.bits-pilani.ac.in).

4. **Event Name :** Orientation

Date : 25.09.2023

Location : G-34

Description:

The ACM-W Orientation was a comprehensive session where we outlined the upcoming events and initiatives planned for the year ahead. It provided attendees with a roadmap to navigate through the diverse offerings of ACM-W BPDC and make the most of their membership. One of the key highlights of the orientation was the introduction of the ACM-W BPDC council. Council members shared insights into their roles and responsibilities, emphasizing their dedication to creating a supportive environment for all members. This transparent approach fostered a sense of trust among attendees. Attendees gained valuable insights into how ACM-W BPDC can contribute to their personal and professional growth, including access to a diverse network of like-minded individuals, opportunities for skill-building, and exposure to cutting-edge technologies. To express our gratitude for the attendees' enthusiastic participation, free donuts were distributed to all present. This small yet heartfelt gesture added a touch of sweetness to the event, creating a warm and welcoming atmosphere. The ACM-W BPDC Orientation was conducted during the 7th hour, from 1:00 PM to 1:55 PM. This timing allowed for a focused and productive session, ensuring that attendees left with a clear understanding of ACM-W BPDC's offerings and a sense of excitement for the year ahead.
