About BITS-Pilani Dubai Campus (https://www.bits-pilani.ac.in/dubai/)	<p>BITS Pilani, Dubai Campus (BPDC) is the international campus of Birla Institute of Technology and Science, Pilani, India and is located at the Dubai International Academic City. Set up in the year 2000, it is among the leading institutions in Dubai, offering high-quality engineering, technology and management education. It attracts a diverse student population from UAE, other GCC countries, Asia, Africa and the Far East.</p> <p>BPDC is approved by the University Grants Commission and Ministry of Human Resource Development, Government of India and is permitted by the Knowledge and Human Development Authority (KHDA), Government of Dubai. BITS Pilani has been granted the status of “Institute of Eminence” by MHRD, Government of India.</p> <p>BPDC offers B.E, M.E., M.B.A. and Ph.D. programmes in various engineering and allied disciplines, with nearly 1500 students from over 20 countries. The dynamic and vibrant campus has modern infrastructure and teaching/research facilities that enables BPDC to deliver a well-rounded education in an international environment by highly qualified faculty. Smart classrooms, cutting edge laboratory facilities with the latest equipment, a 24/7 Creative Laboratory, and high-definition video conferencing facilities that connects BPDC with the campuses in India are some of the value-added features of BPDC. Practice School, an internship program embedded in the course structure organized in partnership with over 400 companies, facilitates practical experience for students in preparation for their future careers.</p>
BPDC as a preferred workplace	BPDC provides an inclusive and supporting environment where you can grow your professional and personal self. BPDC is the place for you if you have the passion to make a difference.
