

Workshop on 'Teaching Strategies in Maths' held

BY STAFF REPORTER

Panaji: Aiming to provide an intense training on teaching mathematics at undergraduate level for college and university faculty, a two-day workshop on 'Teaching Strategies in Mathematics' held during at Birla Institute of Technology and Science Pilani, KK Birla Goa Campus recently.

Speaking on the occasion, Prof Raghurama G, Director of BITS Goa said "With the learning, there is a strong need of unlearning, relearning how to teach the new generation students in this highly technological world.

Teachers in this liquid society, must be 'a meddler in the middle' and the process of teaching is mutual learning for both teachers and students. We should move from the attitude of 'I do, you do' to an effective and inclusive approach of 'we do'." He felt that availability of all information at the clique of the mouse for the students has made

21st century teaching a very challenging one and teachers should mould themselves to the required environment.

Prof Nagaraj, IMSc Chennai, Prof. Veerappa Gowda, TIFR Bengaluru, Prof. VD Sharma IIT Bombay, Prof. Arumugam, BITS Goa and Dr Aravind, Wolfrum Research, trained the participants on various topics related to effective teaching in mathematics.

Dr Amit Setia and Dr Manoj Kumar Pandey, assistant Professors in mathematics, BITS-Goa convened the event.
