

Talks held at BITS Goa campus

PANJIM: Alumni Relations Cell and the IEEE chapter of BITS Pilani – K K Birla Goa Campus organised the first ever Alumni Research Talks (ART), recently. The event featured talks cum interactive sessions with five eminent alumni of BITS Pilani, who shared their success stories, and delved into their research interests, and how they could affect the future. The event was attended by the Director of BITS Pilani Goa Campus, Prof G Raghurama, Sai Kothai, daughter of the late Prof S S Ranganathan and N S Parthasarathy, Executive Vice Chairman and COO of Mindtree Ltd. Besides the BITS students, students from IIT Goa, GEC, Agnel Polytechnic and the Padre Conceicao College of Engineering attended the talks.
