

BITS Goa professor appointed as associate editor of Finance Research (Elsevier)

Prof Snehanshu Saha is appointed as an Associate Editor (AE) of Finance Research (Elsevier), a peer-reviewed Journal. Prof Saha will be acting as the Area Editor - Machine Learning for Finance and Risk Modeling. His appointment as the AE is immediate and is up to June 2027.

Finance Research is a premier Journal published by Elsevier and boasts of leading econometricians, computational finance and risk analysis researchers across the globe. The journal serves in five subject areas that include risk analysis in finance and economics, computational finance and machine learning, corporate social responsibility and governance, the world economy and capital markets, energy economics and financial markets and firms and data envelopment analysis. The journal's editor-in-chief is Hamid Beladi, Professor of Economics and Janey S Briscoe Endowed Chair in Business, Carlos Alvarez College of Business, University of Texas at San Antonio. Some of Prof Saha's highly cited peer-reviewed publications are at the intersection of advanced machine learning, statistical learning and finance. His work is regarded highly in the stock market prediction. The position of associate editor comes as a recognition of that. Prof Snehanshu Saha is a professor in the Department of Computer Science at BITS Pilani, K K Birla Goa Campus and heads the AI research Center of BITS Pilani across all campuses.
