Dated: November 7th, 2022

Dear First Degree Students,

Greetings. As you are aware, you will be undergoing PS-II in the Second semester 2022-2023 from January 17th – June 26th, 2023. In order to facilitate the process, we have created this document which will help to understand the process as well as the guidelines to be followed during the entire allotment process for the Second semester 2022-2023. Also, in an effort to streamline the query handling session, the following Google Form links have been created.

Depending on the nature of the query, it will be either processed to the individual campus or will be centrally addressed.

Google Form link: <https://forms.gle/ySjK8vsiAeyg8xxN8>
