**Date: 4-3-2025**

**ATTENTION: Any Dual degree Students**

**SUBMISSION OF RESUME FOR PS - I SEMESTER 2025-2026 at Nomura GM Analyst GM Algo  
Strategy Wholesale Strategy**

Applications are invited from interested students for their PS-II at Nomura during the First Semester 2025- 2026. Students who are interested in pursuing PS-II at Nomura during the First Semester 2025- 2026 are advised to submit their resume on or before 11:59 PM of March 6th, 2025. Students are required to prepare their resume in the .pdf formats only and it should be named as <idno\_Nomura> (e.g. 2023B3A70601P\_Nomura.pdf). The resume should be sent via Google Form. A hard copy of the resume is not required.

---

While the PS Semester allotment is not completed and since Nomura has a deadline to apply, interested students can submit the resume and then the PS Division will work with Nomura on the selection process and final allotment. Selected students will have an opportunity to work at Nomura for PS-II in the First Semester and semester allotment will be fixed accordingly.

---

**Google Form: <https://forms.gle/k8DZdvKHBwSXggEJ8>**

**Job Description:** Attached as a separate file

**CGPA cut off:** 7.5 and above

**Stipend:** Rs. 125000/- per month

**Key points:**

➤ The resumes will be sent to the organization. Organization will select students either on the basis of

resume or on the basis of the test/interview.

➤ Selected students should NOT drop out at the later stages. It is understood that, as you are applying for this opportunity out of your interest, you will do your PS II at this organization, if you get SELECTED.

➤ If a student is applying for more than one station through this notice process and gets selected in both then the final station allotment will be decided by PSD. The decision of Dean, PS is final in this regard.

**Prof. Anjani Srikanth Koka**

Associate Dean, Planning and Development Cell, Practice School Division
