I am Shivani Keny, 27yrs old resident of Goa. I have a Masters degree in Counselling Psychology with 9.25 CGPA and have successfully qualified for NET-JRF in Psychology in 2022. I'm passionate about teaching psychology and I have gained valuable experience as an Assistant professor of psychology. My passions include reading, traveling, and exploring the various facets of life. I am driven by a strong desire to deepen my understanding of the human mind and its profound connection to the world.
