

AFMA – 2025

International Conference on Advances in Functional Materials and Applications

BITS Pilani, K K Birla Goa Campus

February 20 – 22, 2025

Dear Sponsors,

We are excited to invite you to become a valued sponsor of the upcoming International Conference on Advances in Functional Materials and Applications (AFMA – 2025) to be organized from 20th – 22nd February, 2025 at BITS Pilani K K Birla, Goa Campus, a premier event that brings together leading researchers, industry experts, and innovators from around the globe. This conference presents a unique opportunity for your organization to engage with the scientific community, showcase your products and services, and enhance your brand visibility. More details can be found here <https://www.bits-pilani.ac.in/goa/afma2025/>.

Why Sponsor Us?

Access to Key Decision-Makers: The conference is expected to attract a diverse audience, including researchers, engineers, and industry leaders. By sponsoring, you position your brand in front of potential customers who are shaping the future of material science.

Showcase Your Innovation:

Highlight your cutting-edge products and services through dedicated exhibition space and product demonstrations. This is your chance to showcase how your offerings can meet the evolving needs of the materials sector.

Networking Opportunities:

The conference will feature numerous networking events, providing you with the chance to connect directly with industry professionals, researchers, and other sponsors. Build relationships that can lead to collaborations, partnerships, and sales.

Brand Visibility:

Your logo will be prominently displayed on all conference materials, including brochures, banners, and digital platforms. Gain exposure to a global audience and enhance your brand's recognition within the material science community.

Thought Leadership:

Take advantage of speaking opportunities to position your organization as a thought leader. Share insights on industry trends, challenges, and innovations, further establishing your credibility in the market.

Community Engagement:

By supporting this conference, you demonstrate your commitment to advancing material science/chemical science research and development. This can enhance your corporate image and strengthen your reputation as a leader in the industry.

We believe that your participation as a sponsor will not only elevate the conference experience but also significantly benefit your organization. Join us in shaping the future of material/chemical science and connecting with the innovators of tomorrow. We would love to discuss the various sponsorship packages (See table below) and how we can tailor them to meet your goals. Thank you for considering this opportunity to partner with us.

Address: Department of Chemistry, BITS Pilani K K Birla Goa Campus, NH17B Bypass Road, South Goa, Goa-403726, India
