

A red hot gig

Red Bull Tour Bus kicked off its West Tour at BITS Pilani Institute Goa with the best of Indian alternative/rock acts in tow. Post-rock band aswekeepsearching and Chennai-based alternative/electro rock The F16s delivered a power-packed performance to thousands of cheering fans.

Starting things off, The F16s, got the crowd grooving to songs from their debut full-length album *Triggerpunkte* as well as favourites from their previous EPs. Returning to play atop the bus after a very successful performance at Off The Roof, aswekeepsearching reclaimed the stage with a stellar performance. The band got the crowd head banging to their experimental sound, with songs from their increasingly popular latest album, *Khwaab*.

Following this Red Bull Tour Bus will head up the coast to Ahmedabad on November 18 and wind up its West Tour in Pune on November 22.
