Ruturaj Atul Godse, a first year student of BITS Pilani, KK Birla Goa Campus, has been selected for the prestigious Aditya Birla Scholarships 2019. The scholarship amount of Rs 1 lakh per year is given to selected student to cover their fees.

Godse, who stood second in this year's BITS entrance exam – BITSAT, is pursuing his BE degree in computer science at the BITS Goa Campus. Two students of BITS Pilani, Pilani Campus, have also been selected for this scholarship this year.

Every year, 40 students from top engineering, management and law colleges of India are selected for this scholarship through a very rigorous selection process. Only 20 students, in terms of their entrance exam ranking, from BITS Pilani, XLRI, FMS, and selected IIMs, IITs, and law colleges, are eligible to apply for this prestigious scholarship which is valid for the full course, subject to ongoing

performance.

Around 440 students are eligible to apply for this scholarship. As part of selection process, students' overall academic and co-curricular achievements are assessed, essays written by these students are reviewed and interviews are conducted by an eminent panel of luminaries and academicians.

Selected students are closely monitored for the renewal of their scholarship every year.

Instituted in 1999, the Aditya Birla Scholarships provide an excellent opportunity for scholars to learn.
