

# Strengthening bonds

## NT KURIOCITY

**T**he dean of Research & Innovation and director for CAMIC STEM College, Royal Melbourne Institute of Technology (RMIT) University, Melbourne, Australia, professor Suresh Bhargava, visited BITS Pilani, K K Birla Goa Campus recently.

The visit was aimed to en-

hance collaborations in the field of research between BITS Pilani and RMIT University, Melbourne, Australia.

Professor Bhargava also delivered a lecture titled 'Redefining innovation with some real examples.' The students and faculty members from Pilani, Hyderabad and Dubai campuses, also joined the session via telepresence interaction.
