

BITS Pilani Goa Campus shines at ChemExpo India 2024

NT KURIOCIITY

As part of the ChemExpo 2024 held at NESCO, Bombay Exhibition Centre, Mumbai, BITS Pilani, K K Birla Goa Campus, showcased its contributions at the exclusive Technology Showcase Pavilion, alongside institutions such as IIT Bombay, ICT Mumbai, GreenChemistree Foundation, and six CSIR labs.

With a total of 525 exhibitors, the event provided a platform for showcasing Indian capabilities in the broad chemical industry.

Dr. Saurabh Patankar from the Depart-

ment of Chemical Engineering represented BITS Pilani at the ChemExpo.

Professionals and experts in the chemical industry expressed their delight at seeing BITS Pilani's maiden stall, where they learned about the university's research activities and the Work Integrated Learning Program (WILP) for working professionals.

Under the leadership of Ayesha Kutay, BITS Pilani's Marketing team designed publicity posters highlighting research areas, placements, and the WILP program, accompanied by two brochures providing detailed information about the university and the Chemical Engineering Department at BITS Goa.
