

BITS signs int'l MoU to focus on sanitation

TIMES NEWS NETWORK

Panaji: BITS Pilani and International Water Association (IWA) recently signed a MoU to focus on clean water and sanitation issues in India.

As part of this association, executive director of IWA, professor Kala Vairavamoorthy from The Hague, Netherlands, visited BITS Pilani, K K Birla Goa Campus at Zuarinagar and interacted with the senior management.

Through this MoU, BITS and IWA will develop a range of activities to support the achievement of the goals of clean water and sanitation.

The MoU was signed between the BITS and IWA on January 10 where the BITS Pilani team was led by its vice-chancellor, professor Souvik Bhattacharyya along with the director of Goa campus professor G Raghurama and deans, associate deans, professors and researchers.

BITS Pilani and IWA share a common objective to support the achievement of the Sustainable De-

velopment Goals by 2030.

In this direction, BITS Pilani and IWA recognize the value of promoting positive change through training, education, knowledge development and research with and through a range of audiences in low and middle income countries.
