

## Webinar: ESOP's for Startups with Vakilsearch on May 20, 2023

BGIIES partnered with Vakilsearch for an introductory webinar on Employee Stock Ownership Plan (ESOP's) for Startups. The speaker was Mr. Raghuveer Narasimman, Senior manager-Corporate Advisor, VakilSearch. Vakilsearch has collaborated with Carta, a platform that helps startups manage their equity ownership in a simple and streamlined way.

The webinar aimed at helping startups understand the benefits of ESOPs and how to manage them efficiently. The topics covered were Introduction to ESOPs and their benefits, how to manage ESOPs efficiently using Carta's platform and Common mistakes to avoid while managing ESOPs. The take away from the webinar for the attendees included a 60 Minute free ESOP consultation, and Carta's ESOP management platform free of cost for companies having less than 25 ESOP holders and raised less than 1 M USD.

The webinar received great response from the attendees. The questions from the participants were expertly answered by CA Raghuveer.
