

Special Recognition for Civil Engineering Team by Al Nahda Centre

Department of Civil Engineering receives **Special Recognition by Al Nahda Centre** for the design of a first-of-its-kind Drive-through Medical Screening Facility for UAE visa!

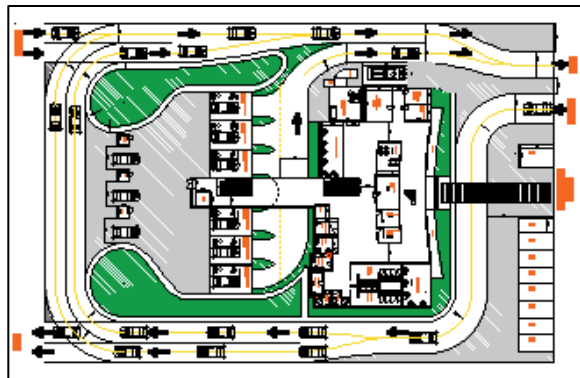

Our students, Sarat Gireesh, Anoushka Chowdhury, Aamir Ahmed, guided by the expertise of Dr. Meghana Charde, successfully designed and laid out a one-of-a-kind Drive-through Medical Screening Facility for UAE visa purposes at Al Nahda . We also thank the Head of Department, Dr. Vivek B for his significant patronage in this project.

This remarkable project is the first of its kind in the UAE and is expected to garner significant attention from government authorities and the healthcare industry.

We are immensely grateful to the DHA-Al Nahda Centre team for honoring our students and faculty mentors with Mementos and a cash prize during their special visit to our Institute. Our heartfelt thanks go to Mr. Shamim Yusuf, General Manager, Mr. Faizal Bin Muhammed, Operations Manager, and Mr. Mohammed Ahmed, Immigration Manager, for their unwavering support throughout this ground breaking project.

We would also like to extend our gratitude to Dr. Anvar Ameen Chelat, Managing Director of Regency Group, and Dr. Srinivasan Madapusi, Director of BITS Pilani Dubai Campus for gracing the occasion and sharing their insightful views on the importance of such pioneering projects in enhancing students' career prospects.

Congratulations to the team for their extraordinary achievement! We are proud of their dedication in contributing to the advancement of the healthcare industry in the UAE through innovative Civil Engineering & Architecture!

Felicitation Ceremony held at BITS Pilani Dubai Campus on June 20, 2023
